

Your Story is Worth Protecting

RISK MANAGEMENT SERVICES

Miers Insurance's Risk Management Department was created to better service our valued customers by adding a layer of security in your company's desire to prevent loss. Our Risk Management Division is unique for a local, privately owned insurance agency. Our Director of Risk Management, Brian Crebs, brings over 20 years of loss control experience to you. Through on-site visits, online tools, training aids and resources our aim is to protect your story.
